### **1. Class photos posted on Website**

We have posted some class photos taken on Nov. 17th on our [Website](#). Please check them out.

### **2. Snack Bar**

We've noticed some kids staying for extended time in snack bar watching TV. It is OK to have a snack or two at the bar while keeping the place clean and tidy, but watching TV is not recommended. We would like to ask the parents in the snack bar keep the room in order and persuade our kids from watching TV there. Thank you for your help.

See you all on Saturday.
