1. Current Student list posted on website

We have posted the latest 2007-2008 student list by class on our website, under menu "current students". Please take a look, if you find any errors, please let us know. Please refer to the student ID on the left hand side when you communicate with us.

2. Class Photo Day - November 17th, 2007

This will be the first time that we are taking class photos. Our guest photographer (one of our parents) will be taking a group photo for each class on November 17th. So please dress your children appropriately that day.

3. WCCU Community day - November 17th, 2007

WCCU will host a community event at the adjacent building from our classroom building. The campus might be a little chaotic with parking and extra people etc. We have looked for additional parent patrol help that day, in addition, we ask our parents to be vigilant on that day, sending and picking up your children on time. Thank you.
